We know from experience that more than often some business expenses can go unnoticed, like forgotten subscriptions or those underestimated minor receipts. This why we've created this useful checklist to ensure you maximize all potential deductions.

## Business Expense Checklist

### Home Office

- Internet
- Utilities
- Insurance
- Cleaning materials
- Rent or mortgage interest
- Property taxes
- Telephone
- Gas
- Oil changes
- Repairs
- Car washes
- Parking

### Subscriptions

- Website Hosting
- Zoom
- Microsoft Office 365
- Email hosting (e.g., Google Workspace)
- Networking groups
- Others

### Leave if To Us
